Introduction to CCMEO

Get a brief history and overview of the Medical Examiner's Office and its previous history when it was the Cuyahoga Coroner's Office.

Facility Tour

Take a guided tour of the 200,000+ s.f. Medical Examiner's facility and Regional Forensic Science Laboratory.

Death Scene Investigation

Hear presentations by our professional investigators on the basic principles of the investigation of death scenes.

Mock Scene Investigation

Walk the scene! A hands-on application of the principles of death scene investigation in our Mock Crime Scene Training Area that features four changeable interactive "mock scenes" depicting several types of cases under the Medical Examiner's jurisdiction.

College Shadow Students ONLY!

Viewing

Sit in with medical and professional staff on the morning caseload review session.

Demonstration Autopsy

Witness an actual autopsy conducting by one of the staff forensic pathologists.
